**The Rector of the University Assoc. Prof. Dr. Desislava Atanasova
The Honorary Rector Academician DTSc Hristo Beloev**

Dear Madam Rector,

Dear Academician Beloev,

Dear Colleagues and Friends,

On behalf of the Razzakov Kyrgyz State Technical University and on my own behalf, please accept our sincere congratulations on the 80th Anniversary of "Angel Kanchev" University of Ruse!

Your esteemed university holds a distinguished place in the higher education system of Bulgaria and Europe. The rich history, remarkable scientific achievements, high academic standards, and active international engagement have earned well-deserved recognition and deep respect within the global academic community.

We highly appreciate your significant contribution to the development of engineering education, science, and technology, as well as the fruitful cooperation between our universities, which strengthens the bonds of friendship and professional collaboration between Kyrgyzstan and Bulgaria.

We sincerely wish the University of Ruse continued prosperity, new achievements in education and research, well-being to all faculty members and students, and every success in your mission of advancing knowledge and innovation.

With deep respect and best wishes,

Rector

Razzakov Kyrgyz State Technical University

Prof. Mirlan Chynybaev
