Ruse University "Angel Kanchev", Bulgaria

Congratulations on the 80th Anniversary of Angel Kanchev Ruse University

Dear Rector, esteemed faculty members, staff, and students of Angel Kanchev Ruse University!

Please accept our sincere congratulations on the remarkable occasion of the **80th anniversary** of your distinguished university!

Over the past eight decades, Ruse University has become one of the leading centers of science, education, and innovation in Bulgaria and beyond. Thanks to its high academic standards, modern educational approaches, and active international engagement, the University has earned well-deserved recognition as a reliable partner in the sphere of higher education.

We express our particular appreciation for your **contribution to the modernization of higher education systems in Central Asian countries through the implementation of new technologies**, and for your successful coordination of international projects aimed at advancing digitalization and improving the quality of university education. These initiatives have significantly strengthened academic cooperation and fostered the sustainable development of the educational environment in our region.

We sincerely wish Ruse University continued prosperity, new scientific achievements, talented students, and an inspired academic community.

May your University remain a symbol of innovation, partnership, and academic excellence for many years to come.

With deep respect and best wishes,
Askarbek Imanbaev
Rector, Issyk-Kul State University
