

11th November 2025

**Dear Rector, Professor Assoc. Prof. Dr. Desislava Atanasova,
Dear Honorary Rector Academician DTSc Hristo Beloev,
Dear Esteemed Colleagues,
University of Ruse “Angel Kanchev”, Bulgaria**

On behalf of **Université Française d'Égypte** and our entire team of faculty, researchers, and administrators, I am honored to extend our warmest congratulations to **University of Ruse** on your “**80th anniversary**”, a remarkable milestone that embodies eight decades of dedication to education, scholarship, and innovation.

Over the years, University of Ruse has established a distinguished reputation for fostering excellence in teaching, pioneering research, broadening international collaborations, and contributing meaningfully to both the regional and global academic communities. The values of strength and dignity with which you face knowledge, youth and the future have been confirmed over time.

Our partnership with University of Ruse has been one of deep mutual respect, shared ambition, and tangible achievement. Together, we are looking forward to building many advanced cooperative research projects, strengthening academic exchange, and supporting the next generation of scholars and practitioners. On this special occasion, we take pride not only in what University of Ruse has achieved, but also in the contributions and experiences our collaboration has brought to our shared mission. As you mark this milestone, we celebrate with you the many accomplishments: the knowledge generated, the students educated, the partnerships forged, and the future pathways illuminated. May your upcoming years continue to yield new breakthroughs in research, stronger international engagement, and an ever-greater impact on society.

We look forward to further deepening our collaboration, exploring new joint initiatives, and together setting ambitious goals for research, education, and innovation. It is our hope that we will continue to build on the foundation of our partnership and contribute to the collective progress of our institutions and communities.

Once again, please accept our heartfelt congratulations to the leadership, faculty, staff, students, alumni and friends of University of Ruse. May this anniversary year be filled with pride, inspiration, and renewed commitment to excellence.

With warm regards and respect,

Prof. Sherin Moussa

Head of Computer and Communications Engineering Department
University Director of Research and Erasmus Institutional Coordinator
